

## *Dream Team Honor Code*

As an essential member of the Church of the King Dream Team, you have a leadership responsibility to develop and exhibit mature Christian behavior. This should be the basic premise of your desire to serve on the Dream Team at Church of the King.

While serving the Body of Christ as a Dream Team member at Church of the King, you pledge to present a good appearance at all times. In both attire and behavior, you should strive to demonstrate biblical standards in all situations.

As Christians, the way we present ourselves to others is of vital importance to the way others perceive Christ; therefore, our conduct should never be an embarrassment to Christ but rather exemplify the best qualities of a mature believer and follower of Christ.

Exemplifying the highest moral commitment, Church of the King's Dream Team leaders and members are to maintain a disciplined life of Bible reading, prayer, and fasting. Additionally, as a Dream Team member, you must also refrain from such things as:

- profanity
- harmful gambling habits
- exploitation of the relational network of Church of the King through any business practices, including multi-level marketing, for personal financial gain
- alcohol consumption or use of tobacco related products in a manner that may impair your Christian witness
- unethical practices
- illegal drugs
- pornography
- sexual immorality (including adultery, homosexual acts, and other sexual activity outside of a biblical marriage)
- all behaviors which might cause Christ to grieve and others to stumble

By providing an example in speech and action, we encourage others to grow in Christ and become servant leaders themselves. Being a member of the Dream Team is a way of life measured by the heart commitment of each Dream Team leader and member in the Church of the King spiritual family. As such, we should regard our Dream Team service as an essential part of our spiritual development as believers in Christ. Should you have any questions regarding the Honor Code, Church of the King Pastors and Ministry Team Leaders are available to answer your questions.

# *Dream Team Leadership Character*

## *Leadership Qualification*

*The same goes for those who want to be servants in the church: serious, not deceitful, not too free with the bottle, not in it for what they can get out of it. They must be reverent before the mystery of the faith, not using their position to try to run things. Let them prove themselves first. If they show they can do it, take them on. No exceptions are to be made for women—same qualifications: serious, dependable, not sharp-tongued, not overfond of wine. Servants in the church are to be committed to their spouses, attentive to their own children, and diligent in looking after their own affairs. Those who do this servant work will come to be highly respected, a real credit to this Jesus-faith.*

Timothy 3:8-13 (The Message)

## *Leadership Commitment*

*We can rejoice, too, when we run into problems and trials, for we know that they help us develop endurance. And endurance develops strength of character, and character strengthens our confident hope of salvation.*
